

ABINASH SHUBHAM

FULL-STACK DEVELOPER (MERN STACK)

Patna, Bihar | +91 87899 35741 | abinashshubham@gmail.com

<https://github.com/abinashshubham> | <https://abinashshubham.github.io/my-portfolio/>

PROFESSIONAL SUMMARY

Detail-oriented Software Developer with 3+ years of experience in end-to-end web application development using the MERN stack. Proven track record in architecting comprehensive HRMS systems, optimizing database schemas for performance, and building responsive, high-performance user interfaces using modern web technologies.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), HTML5, CSS3

Frontend: React.js, Bootstrap 5, Responsive Web Design

Backend & DB: Node.js, Express.js, REST APIs, MongoDB, MySQL

Tools & Platforms: Git, GitHub, Render, Postman

Core Competencies: Full-Stack Web Development, HRMS Architecture, Database Administration & System Design

WORK EXPERIENCE

Software Developer | Nighwan Technology

Jan 2023 – Feb 2025

- Architected and developed a comprehensive HRMS system using React.js and Node.js, streamlining internal business operations and HR workflows.
- Designed scalable, user-friendly web solutions with a focus on high-performance front-end interfaces and smooth user interactions.
- Optimized MongoDB and MySQL database schemas, significantly improving data retrieval speeds and query efficiency by ~30%.
- Collaborated with cross-functional teams in an Agile environment to deliver high-quality software solutions within strict project deadlines.

Software Trainee | Dot Web Technology

Jan 2022 – Dec 2022

- Developed and implemented responsive front-end web solutions using HTML5, CSS3, and JavaScript across multiple client applications.
- Provided effective troubleshooting, code debugging, and performance remediation for existing web systems.
- Utilized design software skills to translate UI designs into production-ready front-end templates leveraging modern Bootstrap 5 implementations.

PROJECTS

Personal Developer Portfolio Website | <https://abinashshubham.github.io/my-portfolio/>

GitHub Pages

- Architected and deployed a personal developer portfolio using React.js and modern CSS/Bootstrap to showcase full-stack web projects and core technical competencies.
- Integrated interactive UI elements, dynamic project showcases, and a responsive layout for seamless experience across mobile and desktop devices.
- Hosted live on GitHub Pages with continuous deployment integration linked directly to GitHub repository.

EDUCATION

Master of Computer Applications (MCA) — Kalinga University, Bhubaneswar

2020 – 2022

Bachelor of Computer Applications (BCA) — Magadh University, Bodh Gaya

2016 – 2019
